

Article Title		
Author name		
Authorship and author contribution:	YES	NO
study concept and design		
acquisition of data		
analysis and interpretation of data		
statistical analysis		
drafting the manuscript		
critical revision of the manuscript for important intellectual content		
Author Responsibility		
I have read and agree to follow the editorial policy of the journal.		
I certify that none of the material in the manuscript		
has been published previously		
is included in another manuscript		
is accepted for publication elsewhere		
is currently under consideration for publication elsewhere		
I have not assigned any right or interest in the Article to any third party		
I had full access to the data of the study and take responsibility for their authenticity and can produce the data on which this Article is based for the Editors request		
I confirm that I have received written consent to mention any personal data in the manuscript (patients, other persons) and am ready to provide it at the request of the editors (only for the description of clinical cases)		
I certify that all experiments involving animals and human subjects were designed and performed in compliance with the relevant laws regarding the humane care and use of subjects		
Conflict of interest		
Have you personally or your organization received financial support in conducting your research or writing the manuscript?		
If yes, please indicate the name of the organization and the form of support (grant, personal reward, provision of equipment or other assistance)		
Are there financial agreements or contracts that you consider to be a potential conflict of interest?		
If yes, please specify them		
AI-assisted technology was not used in the preparation of this work, except for improvements to human-generated text for readability, style, and grammar, spelling and punctuation checks.		
If no, please specify		

The Author grants to the journal the right of first publication of the manuscript under the terms of the Creative Commons Attribution License CC BY 4.0, which allows others to redistribute this work with the obligation to maintain links to the authors of the original work and the original publication in this journal.

The Author is familiar with and agrees with the final version of the manuscript prior to publication in the journal.

The Author agrees to the processing of their personal data specified in the manuscript and the cover letter. The Author agrees to receive informational e-mails from the Editorial Office related to the preparation of the manuscript for publication at the personal e-mail address provided by the Author.

Author name (printed)	Author signature	Date

Note: Each Author must complete and sign the Author Agreement form. Please submit one page for each Author.
